

Bushtec is committed to protecting personal information and processing it responsibly in accordance with applicable data protection laws, including the South African Protection of Personal Information Act, 2013 (POPIA), the European Union General Data Protection Regulation (GDPR), and the California Consumer Privacy Act (CCPA).

By accessing and using our website or official social media platforms, and by voluntarily submitting personal information, you acknowledge that you have read and understood this notice and consent to Bushtec collecting, processing, storing, and using your personal information for lawful and legitimate business purposes, including communication, service delivery, administration, contractual performance, compliance with legal obligations, and stakeholder engagement.

Personal information is collected only where necessary and processed lawfully, fairly, and transparently, with appropriate technical and organisational safeguards to prevent unauthorised access, loss, misuse, alteration, or disclosure. Information voluntarily disclosed in publicly accessible areas of the website or social media platforms may become publicly available, and Bushtec is not responsible for information shared beyond its control.

Users in the European Union have the right to access, rectify, erase, restrict processing, object, and request portability of their data. California residents have the right to know what personal information is collected, request deletion of their personal information, opt out of the sale of personal information (Bushtec does not sell personal information), and are protected against discrimination for exercising these rights. South African users have the right to access and correct their personal information, object to processing, withdraw consent where applicable, and lodge complaints with the Information Regulator.

Personal information may be transferred internationally in compliance with applicable laws and subject to appropriate safeguards. Bushtec reserves the right to amend this notice to comply with legislative changes or operational requirements.
