Website Data Protection & Consent Disclaimer

Bushtec is committed to responsible information governance and processes personal information in accordance with the Protection of Personal Information Act, 2013 (Act 4 of 2013) ("POPIA") and applicable South African legislation.

By accessing and using this website, and by voluntarily submitting your personal information, you acknowledge that you have read this disclaimer and consent to Bushtec collecting, processing, storing and using your personal information for lawful and legitimate business purposes, including communication, service delivery, administration, and compliance with legal obligations.

Processing is conducted in a lawful, reasonable and transparent manner. Bushtec implements appropriate technical and organisational safeguards to protect personal information against unauthorised access, loss, misuse, or disclosure.

Where personal information is intentionally disclosed in publicly accessible areas of this website, you acknowledge that such information may become publicly available.

For purposes of this disclaimer, "Personal Information" bears the meaning assigned to it under the Promotion of Access to Information Act, 2000 (Act 2 of 2000) and the Protection of Personal Information Act, 2013.

Bushtec reserves the right to amend this notice in accordance with legislative or operational requirements.

Social Media Data Protection

By accessing, interacting with, or submitting information via Bushtec's official social media platforms, you acknowledge and agree that any personal information voluntarily disclosed may be collected and processed for legitimate business, communication, and stakeholder engagement purposes.

Users are advised that information shared on public platforms may become publicly accessible and may be viewed or shared by third parties beyond Bushtec's control.

Bushtec processes personal information in accordance with applicable South African data protection legislation and applies reasonable safeguards to protect information under its control.
